

Teen S.L.I.P. (Summer Learning/Library Interaction Program) 2016

NOTE: The internet in general and other websites do **NOT** count. Only interactions through our library's resources may be used for the Learning Option that isn't reading or listening to a book. You may repeat your experiences, but you must pick a **different** library resource each time. See examples below & more details in your program flyer.

Books* read or listened to —OR— learning experience	Learning/Library Interaction (name the library resource TITLE & WHERE to find it)
EXAMPLE: Read [your own copy of] Maze Runner	YA Fiction Collins [you've looked up where to find it at the Library]
EXAMPLE: Went fishing	Culinary Arts database: Primary school children think cheese grows on trees & fish fingers are made from chicken, research shows [article title]

*Books read must be age/ability level appropriate. 5 graphic novels/comic books/magazines = 1 book.
